

Wittenberg University	Connections Curriculum	Culminating Reflection Rubric
------------------------------	-------------------------------	--------------------------------------

Outcome: Students will articulate how their co-curricular experiences and their academic curriculum have shaped their personal, professional, and civic identities.

Capability	1. Developing reflection	2. Basic reflection	3. Advanced reflection	Score
Identifies insights and understandings gained through their academic and co-curricular experiences	Superficial response, describes simple insights they gained, limited descriptions of academic or co-curricular experiences.	Describes insights or understandings they gained. References specific components of their academic or co-curricular experiences that led to these insights.	Provides thoughtful, substantive, and detailed insights and understandings they gained. Explains in detail their academic and co-curricular experiences and how they contributed to those insights.	
Connects their experiences and curriculum to the development of their whole person (personal, professional, and civic identity)	Provides one example of their personal growth or development, with tangential or limited references to their experiences or curriculum.	Connects two or more examples of their own growth as a person (personal, professional, or civic identity) to experiences or content from the curriculum.	Connects multiple detailed and specific ways their own personal, professional, and civic identities have changed as a result of the experiences and curriculum they had while at Wittenberg
