

## Course Modification Form

(To be used only for editorial changes to majors/minors and/or course descriptions)

Updated Fall 2024

*Directions: Due to the substantial change in staffing that Wittenberg University will experience beginning in the 2025-26 academic year, the EPC will consider all **editorial changes** (i.e. course description language, addition or removal of prerequisites, change to semester(s) offered, etc.) to the description(s) of existing or existing set of courses. The EPC will consider and approve these modifications, work with the Registrar's Office to assure updates to the Academic Catalog, and report changes to the requestor and the faculty. For substantive changes to courses or majors/minors or to propose new courses or majors/minors, please utilize the existing process with the EPC.*
